

your event our passion

Journeys have landed their 1st annual contract. Sketch the Gallery and Bar/ Restaurant in Conduit Street, London W1 wanted a better class of programme for their monthly arts exhibitions. They came to **Journeys**. The reason they came to us is because no one else has the in depth knowledge of the requirements of artists. Whether you are talking about Painters, Photographers, Videographers, Graphic Artists or Stylists. **The arts print service is excellent.** We really do care, as our reputation is only as good as our last piece of work.

The **multimedia marketing services and support body Journeys** are ready to work for you. We are in the London area, are able to cover most parts of the UK. The service is run by people who had established themselves in this sector from 1975. **Journeys** are now actively seeking more **Print work for Arts Events.**
